Notes:

(1) 1/2 page congratulatory journal ad for Soror Janet Chavis ($90); At June 2015 Chapter Meeting, a motion passed to transer $30 from contingency to the newly created budget line item "NAMI Program Toiletry Collection"; Per chapter vote in October 2015, Soror Natalie Russell was reimbursed $725.73 from contingency. The check was mistakenly written from fundraising account and not operating account. The amount of the check is reflected in this budget line item until November 2015 when the funds will be transferred from the operating account to fundraising account. In November 2015, $725.73 was mistakenly transferred from Fundraising to Operating (rather than Operating to Fundraising). Two transfers from Operating to Fundraising for $725.73 each was done on December 8, 2015 and will be added back to the Contingency line item.

(2) Alternate Program Participation was to donate $10 worth of items for the Silent Auction. Soror Rasheeda Green donated $10 on 4/28/15. Soror Corinne Rivers donated $10 on 5/19/15.

(3) 25 Breast Cancer Tshirts were ordered at $20 each, totaling $500. The profit from the sales ($175) and funds from the budget line item ($200) were donated to the American Cancer Society. Soror Janet Chavis donated $50 in memory of Dorie Lynn Chavis; a chapter check was written on her behalf to the American Cancer Society.

Budget and Finance Committee Report
2015 End of Year Report

Committee Members: Sobande F. Afolabi (Chairman), Cimeron Bryant, Sabrina Riley, Natalie Russell, Tonia Slay-Daniels

As of December 15, 2015, there were 54 chapter sorors; 4 of which are life members.

In June, the Committee joined the Leadership Development Team in presenting a workshop on basic financial operations.

In September 2015, the Committee began to prepare the 2016 Operating Budget, which was presented to the chapter in October 2015 and approved in November 2015.

The 2016 Operating Budget is $23,630. However, the chapter dues for 2016 increased from $340 to $350. The main factors that contributed to the increase were: (1) 2016 is a Boule year in Atlanta, GA; (2) increased budget line item for Graduate Advisor; (3) Registration reimbursements for Basileus and GA for NARC, Boule, Undergraduate Roundup, Undergraduate Summit and Cluster IV Conference; and (4) added a contingency line item for Tau Sigma.

Sorors are reminded that assessments are due within thirty (30) days of the event or by December's chapter meeting, whichever date comes first. The Pecunious Grammateus distributed Assessment Report Cards during November's chapter meeting. Dues will not be submitted to Corporate Office until all outstanding assessments have been received.

11 Sorors have begun paying for their 2016 Chapter dues. These funds are reflected on the Tamiouchose Reports as "Restricted." Per Alpha Kappa Alpha documents, dues and assessments are payable to Corporate Office by January 1, 2016. Per Chapter Bylaws, dues are to be submitted by December's chapter meeting. Dues submitted after January 15, 2016 will be subject to a 10% late fine. Chapter dues and assessments are waived for all undergraduate sorors transferring into Rho Kappa Omega for the remainder of their graduation year. And any undergraduate soror who remains a member of or transfers into Rho Kappa Omega in the year immediately following their graduation year will only be responsible for paying Per Capita, EAF and chapter assessments. Please review Article III, Section 3 of the Chapter Bylaws.

Please submit all receipts and vouchers for reimbursement before December 31, 2015 so that the financial records can close properly on December 31, 2015 and reflect all expenses incurred in 2015.

I am pleased to report that the Committee has completed the goals presented at the beginning of the year. The Committee has completed a complete review of the Rho Kappa Omega Chapter Bylaws. These revisions and amendments will be presented at the beginning of 2016. There were four amendments and one revision presented to the Committee for review, one amendment came from the floor, one revision by the Committee, and one revision submitted by a member. The following is the breakdown of the outcome of the five amendments and three revisions: three amendments and one revision were passed by the Body, the Committee voted against one amendment and one revision to be presented to the Body, one amendment was tabled by the Committee, and finally a revision was received on 12/07/2015 by the Parliamentarian in which the Committee will review in January 2016.

Nomination Committee EOY Report

Soror Jazmin Gooding, Tamra Sanchez
Janet D Chavis, Chairperson

SEPTEMBER 2015

As per chapter By-Laws, it is the charge of the Nomination Committee to present a list of eligible Sorors to run for the November 2015 election, during *the September General Body Chapter Meeting. Following careful, diligent, review of the criteria outlined in the Bylaws, the committee presented a list of 42 Sorors eligible to run for the following positions:*

Anti- Basileus	Ivy Leaf Reporter	Custodian	Epistoleus	Anti Grammateus	Pecunious Grammateus

As has been past practice, a "Slate Preparation" packet was disseminated to eligible sorors outlining the process containing a verification sheet for signature. To ensure full chapter access, packet disseminated via multiple modes of contact. These modes include the following:

- Postal Mail or direct delivery to ensure those with no email access would have participation
- Courtesy phone calls as a follow-up to respond to questions, concerns or issues about process

Each eligible Soror received a follow up call or text and official election documentation via postal mail. Each soror was instructed to "Kindly review the responsibility of each position carefully", placing their name in the space next to the position of interest. They were then contacted by a member of the committee or designee to verify or encourage their interest. Sorors also had the option to return the form indicating their interest by mail. The mailing included a standard envelope with a return address label for convenience.

OCTOBER 2015

The membership was reminded of Alpha Kappa Alpha Nomination Protocol which includes the following:

1. If the nominee is present, they must give consent to be nominated.
2. A member may nominate themselves.

Standards Committee Report

December 2015

Members are Sorors Tamra Sanchez (Chairman), Sabrina Riley, Jahari Jacobs, Janet Chavis, Andrea Wright

2015 Goals:

Ensure that chapter's standing rules are followed

Ensure that chapter Sorors complete evaluation forms

Roll out electronic Internal Program Evaluations

Ensure chapter is prepared for Assessment and Evaluations

Fundraiser: Denim & Pearls Day Party
Date of Event: 11/28/15

Evaluations from guest: n/a **Soror Evaluations:** 10

Evaluation Summary

Sorors enjoyed the opportunity to collaborate with another chapter and had a great time during the Day Party. Some sorors commented that they would have preferred to collaborate with local fraternities in addition to BAO. Additionally, some sorors remained in cliques and did not fellowship as much with others. Lastly, sorors commented on the lack of parking as well as the cost of parking.

Committee Recommendations

Sorors worked diligently in ensuring the fundraiser's success. Sorors are encouraged to sell as many tickets as possible for fundraising events. The committee should ensure all logistics/details are clearly communicated to attendees so that they may prepare adequately (parking).

Standards Committee Report

End-of-the-Year Chapter Report
2015

Members are Sorors Tamra Sanchez (Chairman), Sabrina Riley, Jahari Jacobs, Janet Chavis, Andrea Wright

2015 Goals:

- Ensure that chapter's standing rules are followed
- Ensure that chapter Sorors complete evaluation forms
- Roll out electronic Internal Program Evaluations
- Ensure chapter is prepared for Assessment and Evaluations

End of Year Summary:

The Standards Committee submitted evaluations for eight programs and four fundraising events. Programs and Fundraising events include:

- MLK Day of Service
- Go Red for Heart Health
- 1908 Playground Mobilization Project
- Pink Pearl Pizzazz Jazz & Scholarship Luncheon
- Back-to-School Health & Safety Fair
- Longest Day for Alzheimer's Awareness
- Making Strides Against Breast Cancer Walk
- Childhood Hunger Awareness
- Selma Movie Viewing
- Lyle Love Affair Party
- Denim & Pearls Day Party

Eighty seven evaluations were received from Sorors in response to the respective programs and fundraisers. Fifty four completed evaluations were received from guests in response to attending the respective programs and fundraising events.

The chapter was evaluated by the Alpha Kappa Alpha Evaluations Team on October 10, 2015 during the Cluster IV Leadership Conference. All documents and files obtained from 2011 through 2014 were requested. The results of the evaluation are currently pending.

The Chapter Self-Assessment was administered to Sorors during the November 2015 Chapter Meeting. Twenty nine evaluations were completed and submitted. The responses will be utilized to complete the Standards End-of-Year Assessment.

Progress towards 2015 goals:

The Standards Committee successfully rolled out an electronic evaluation format to allow easier accessibility and a rapid method of compiling/organizing responses. Hard copies are still made available to those Soros who have limited access to a computer, or prefer to submit a tangible copy. The committee anticipated a greater amount of responses due to the convenience of Sorors being able to complete the evaluation in the comfort of their own home (still submitting in a timely manner), opposed to completing the evaluation at the conclusion of an event or program. Unfortunately, Soror response is minimal. The Standards Committee may consider an initiative to gain wider participation in the upcoming year in an effort to receive feedback from Sorors.

The Standards Committee will share all findings included in the Chapter Self-Assessment as a means of soliciting participation and awareness to ensure that the chapter adheres to the established guidelines for effective chapter operations as described in Alpha Kappa Alpha Sorority, Incorporated official documents. The committee will remain diligent to ensure that standing rules are abiding by.

Strategic Planning Committee (SPC) October 2015 Report

"The Strategic Planning Committee shall develop, review and revise, as necessary, the Chapter's Strategic Plan and shall ensure that the strategic goals are implemented into chapter operations and programs." – Rho Kappa Omega Chapter Bylaws Article 7, Section 2q

The Strategic Planning Committee (SPC) set out to learn and better understand its role by reviewing our Chapter Bylaws and reaching out to the Regional Representative of the North Atlantic Region (NAR) Strategic Planning Committee. We met in February and March, but after discussion with the Regional Representative, decided to halt further meetings until we received a directive and additional documentation from the Regional Representative after the Regional Conference. However, there was no additional information and we did not get any responses to our emails from the Regional Representative.

The SPC made a recommendation to the Basileus that all Officers and Committee Chairman use a set format to compile information to make Officer transitions more uniform and seamless. The SPC also discussed a Bylaw recommendation to add the position of Member-At-Large. The recommendation was held back to further explore duties and responsibilities; however, there was no additional feedback from the committee, so the recommendation was submitted to the Bylaw Committee on December 7, 2015.

The Leadership Development team hosted a Chapter Operations Workshop, at which Sorors (in groups) were given a chance to describe the Chapter's strengths, weaknesses, opportunities and talents (S.W.O.T.). That information was shared with the SPC to assist in producing a survey that would allow every Soror to identify S.W.O.T. The SPC would then utilize the results to develop strategies to establish 1, 5 and 10-year goals that would enhance the Chapter and greater impact the community.

Meeting in the latter half of the year proved to be difficult for various reasons, hence, the SPC did not meet from September to December. A seven-page sample survey was compiled and sent via email in September for the committee's review as to work towards a finished product to send to the Chapter. Unfortunately, responses were lacking and the survey was not completed. Therefore, it is with regret that I report that a Chapter Strategic Plan was not drafted.

A USB flash drive with the SPC meeting minutes, reports, recommendations, PKQ sample survey, NAR Strategic Planning Committee Workshop Presentation, AKA 2010-2020 Strategic Plan and the Chapter Operations S.W.O.T. results will be provided for transitioning purposes.

Thank you Madam Basileus for the opportunity to serve and thank you committee members.

Farewell.
